125 responses

21. Give three observation / suggestions to improve the overall teaching – learning experience in your institution.

125 responses

Good

No comments

Everything is good

Advance computer system.

No

Everything is good

All are good

1. Add a extra class for interview preparation

1)Use better graphics and visual media to engage students well. Better graphics and colors arouse the interest and desire to learn among students.

2) Try to reach every student and ask for their doubts.

3) Make teaching a two way interaction.

1. Try to reach every students and ask there doubts.

2. Make teaching 2 way interaction.

3. Use projectors and live examples for teaching.

Nothing

1. Promote practical learning than theory learning.

2. Make us job ready.

3. One on one attention to the students and helping them out in projects and bringing up more and more projects.

Interview training classes should be organised so that the students can very well know about the interview rounds.

My experience is excellent because our teachers always push toward every time

1. The faculties are quite dedicated to enhance the knowledge of students through training and other opportunities.

2. Always try to motivate the students.

3. Clear the doubts and solve the problems in best possible manner.

Everything is well organised by our Institute

Encourage social learning

Cooperative teachers required..

1. Interactive Learning

No suggestions

something you notice by watching and listening
the process by which a physical or mental state is influenced by a thought or idea

- 1) Use better graphics and visual media to engage students well. Better graphics and colors arouse the interest and desire to learn among students. ...
- 2) Try to reach every student and ask for their doubts. ...
- 3) Make teaching a two way interaction.

1. Teachers should help students in extracurricular activities.

All Teachers teach very well

till now it's all good

Teachers are able to identify your weaknesses and help you to overcome them

We need better computer system.

We need projector and advanced computer system ,

- 1) Better graphics and colors arouse the interest and desire to learn among students. Even if they are in senior classes, this way must be adopted.
 - 2) This can only happen in a class with a moderate or limited strength of students, and is extremely important because this way, students concentrate on studies more.
 - 3) Make teaching a two way interaction.
- Do not simply give lecture or teach, ask students for their doubts and other questions.

We need projector
Advanced computer system

We need projector Advance Better computer system

- 1) Regular doubt class should be done.
- 2). Smart class should be done.
- 3). Field work should be done, and practical knowledge should be given more focussed.

All good.

We need projector
Advanced computer system

Agree

- 1.To give live example
- 2.Much friendly with us
- 3.Give assignment to us

New technology monthly updates can be given. Activity based learning may be implemented.

Non

- 1.Want more practical class
- 2.The development for skill should be focused
- 3.Project should v in every year in every language

NOTHING

All the above answer r filled appropriately, and some must be improved.

It can be done by citing examples

Encourage the good connection. Strategy teaching.

I am very much satisfied by the teaching-learning of this institution.

All is good

Make teaching two way interaction and take feedback from parents

I rarely go to college so i can't say anything

NA

I feel everything is perfect in its respective fields..

Faculties are good in our Institutions.

Overall everything is good.

We need advance computer system

Study is very good

Advanced computer system

I don't have any suggestions to the teachers because their teachings level is best

Please use projector while teaching so that it'll be easy for use to understand.

Try to complete every subject's syllabus so that we won't have to study on our own just before exams.

Organize sports and dance competition for students who are interested in it.

T and p

College have to give scope in campus

There must be more campus placement opportunities

Follow up

V. Nice

Excellent

Please teach advance computer activities for better improvement of students. 😊

Put some more efforts

Some More efforts

All good

Citing examples

Our college already provided the skills related programs like (PARAKH , Mic driven activity on Out of the box thinking the problem solving etc).

Every thing is good about our institution.

And More emphasis on skill based learning and promoting entrepreneur skill needed.

No Suggestions as all the faculties are supportive and they do their job very effectively.

Good

1-To give more examples.

2-Talking in easy language to better understand.

3-Give us assignment for our better results.

Fine

System updates in computer labs

Very good college

-

Consider new learning method.
And all are good.

All are good.

Very much effective learning environment with supporting features

Provide some intership to students for enhancing their knowledge and improving themselves.

All are good

Overall everything is good

No suggestions

No suggestion

Excellent, best teacher and teaching thoroughly

Well everything thing is good.

There's no suggestions to improve the overall teaching.

Excellent

All the teachers teach very well

Always good.

Not every kid has their skill set (building takes time), but more motivation/interaction can drive them way farther.

-

Some extra curricular activities such as games, entertaining programs for students and management of the institution

Everything is good and institution is also improving day by day.

1 Great

2 Great

3 Absolutely Great

I don't need to give suggestions my faculties are very good in every thing.

N/A

- Utilize a variety of technology options.

Everything is very good.

Teacher are very supportive

Teacher are very MOTIVETIVE

Teacher need to help all the student

1-digital teaching
