Sir,

It is to bring to your kind notice that Dr. Ambedkar Group of Institutions, Rourkela located to the east of Steel Township and adjacent to NIT, Rourkela is managed by a charitable non-profiteering Trust in the name and style of Dr. Ambedkar Memorial Social Welfare and Educational Trust, Rourkela. The Trust caters general, Para-Medical, professional and technical education to all sections of the society with stress on SC, ST, SEBC and minority communities in a missionary spirit. This conglomeration of institutions has 08 independent institutions constructed in our own land with 13 different streams.

We intend to achieve academic excellence in all our streams and cherish the vision of achieving the same in all the educational institutions in and around Rourkela. We have qualified faculties in all our institutions, as well. However, there are always few outstandingly talented faculties in all the institutions. Sharing their expertise amongst the student-mass would be of exceptional benefit in achieving academic excellence.

Dr. Ambedkar Memorial Institute of Information Technology and Management Science, Rourkela-42 imparts MBA, MCA, BBA & BCA courses. The institute is approved by AICTE, New Delhi and affiliated to BPUT, Rourkela and Sambalpur University, Burla. DAMITS is also accredited by NAAC and recognized by UGC under UGC Act of 2B & 12A.

I therefore, implore upon your wise-self to chalk-out regular programme for exchange of faculties as well students to achieve academic excellence in the larger interest of the students. Looking forward to your kind response, Sir.

Yours faithfully,
